

**Members of The Medical Affairs Company (TMAC) to attend the 2009 ASHP Mid-Year Clinical Meeting in Las Vegas**

Members of the Medical Science Liaison (MSL) Recruitment Team are attending the 44th ASHP Mid-Year Clinical Meeting Monday, December 7th thru Wednesday, December 9th in Las Vegas, NV. The team will exhibit at The Sands Expo Center in booth 2518 and be available to discuss current TMAC MSL opportunities with interested candidates. Discussion will offer insight about Medical Science Liaison positions in the pharmaceutical industry as an alternative to career in a clinical pharmacy practice setting.

Candidates interested in receiving more information on careers with TMAC may submit an application through the Careers Center or contact the Recruitment Team at:  
[Careers@TMACmail.com](mailto:Careers@TMACmail.com)

Companies interested in receiving more information on TMAC services or a copy of TMAC's presentation may contact Beth Price at 678-581-4445 or  
[BPrice@TMACmail.com](mailto:BPrice@TMACmail.com).

**About The Medical Affairs Company**

The Medical Affairs Company LLC (TMAC<sup>®</sup>) is a full service Contract Medical Organization that provides pharmaceutical, biotechnology, and medical device industry clients a wide array of outsourcing capabilities for medical affairs activities. Offering both strategic and tactical medical liaison support services in addition to medical liaison consulting and medical communications support, TMAC is uniquely positioned to provide both unmatched value and service to the pharmaceutical industry. TMAC's greatest strength is their focus: medical and scientific affairs – it is their only business.
