**ATLANTA JOURNAL-CONSTITUTION NAMES THE MEDICAL AFFAIRS COMPANY (TMAC)
A WINNER OF THE METRO ATLANTA TOP WORKPLACES 2023 AWARD**

Kennesaw, Georgia, March 21, 2023 - The Medical Affairs Company (TMAC), a leading global provider of medical affairs solutions to the life sciences industry, has been awarded a Top Workplaces 2023 honor by Atlanta Journal-Constitution Top Workplaces for its exceptional company culture. The list is based solely on [employee feedback](#) gathered through a third-party survey administered by employee engagement technology partner [Energage](#) LLC. The confidential survey uniquely measures 15 culture drivers that are critical to the success of any organization: including alignment, execution, and connection, just to name a few.

“Earning a Top Workplaces award is a badge of honor for companies, especially because it comes authentically from their employees,” said Eric Rubino, Energage CEO. “That’s something to be proud of. In today’s market, leaders must ensure they’re allowing employees to have a voice and be heard. That’s paramount. Top Workplaces do this, and it pays dividends.”

Since its inception, TMAC has placed a strong emphasis on building a culture that values communication, commitment and teamwork. Its corporate purpose is compelling; it seeks to empower through knowledge, advance healthcare, and enrich patients’ lives. The company's leadership understands that a positive workplace culture is not only crucial to employee happiness and job satisfaction, but also plays a critical role in driving business success.

"We are thrilled to be recognized as a Top Workplace by Atlanta Journal-Constitution," said David, Hahn, Worldwide Head of TMAC. "Our company culture has always been the foundation of our success, and we are proud to have built a workplace where our employees feel valued and empowered to achieve their best work. Earning this level of recognition, based on employee feedback, will only support our ability to attract and retain the best talent in our business."

The Top Workplace award is the latest in a series of accolades for TMAC, which has been recognized for its expertise and leadership in its industry.

"We cultivate a people-first culture and believe in creating relationships before anything else. It has been our recipe for success for employee longevity and customer satisfaction," states Hahn.
